

Take transit to take in a show.

Affordable. Convenient.

RTC Transit offers a number of convenient and affordable options that allow patrons to arrive and depart from performances at The Smith Center quickly and without fighting traffic. The RTC boasts one of the newest fleets in the nation with vehicles that are sleek, safe and clean.

If you are coming from outlying areas of the Las Vegas valley:

The RTC's Westcliff Area Express (WAX) route and the Centennial Express (CX) route both provide express service to The Smith Center. WAX deploys from Westcliff Transit Center and Park & Ride (25. S. Durango Dr.) and CX begins its route at the Centennial Hills Transit Center and Park & Ride (7313 Grand Montecito Pkwy.) Both sites allow patrons to park their vehicles at a safe site to board transit services into the inner Las Vegas area.

The closest drop-off location is the Bonneville Transit Center, which is located 0.5 mile from The Smith Center (10 minute walk). Routes serving the Bonneville Transit Center (BTC) include: 105, 106, 108, 109, 206, 207, 208, 214, 215, Deuce and BHX.

How long are the routes and at what time should I expect to be onsite for departure?

Most Express routes take anywhere from 30-45 minutes depending in which Park & Ride you use. It is the equivalent or, in some cases, even quicker than driving your own vehicle.

Please note that RTC Transit schedules do vary by time and day of the week. To plan your trip on Transit to The Smith Center, simply visit rtcnsnv.com or call the RTC at 702-228-7433.

What does it cost to ride Transit? And, how accessible are fare passes?

Fares are affordable and readily available. For locals with valid Nevada IDs, a single ride anywhere within the system is just \$2 and a 24-hour all-access pass is just \$5. Fares can be purchased at Ticket Vending Machines located at RTC facilities and at a variety of stops throughout the system, online at rtcnsnv.com, onboard RTC Transit vehicles (excluding Strip & Downtown Express route) and at a variety of vendors throughout the valley.
